MRS. MAY'S LETTER TO WOMEN

More Proof that Lydia E. Pinkham's Vegetable Compound Relieves Suffering.

Chicago, Ill.—"I suffered from a bad case of female illa. Lydia E. Pinkham's Vegetable Compound was recommended and I took about six bottles. It fixed me up all right. The common symptoms of such a condition—pain when walking, irritation, bearing down, pains and backache, nervousness and disordered digestion—soon passed away. I look much better now than I did before, and I recommend the Compound every time for female troubles, as it did for me all it is claimed to do. You have my permission to publish this letter." Mrs. J. MAY, 2548 S. Lincoln St., Chicago, Ill.

If you have any of the symptoms mentioned in Mrs. May's letter, remember what Lydia E. Pinkham's Vegetable Compound did for her, and try it yourself. It is a good old-fashioned medicine, made from roots and herbs, and it has helped countless numbers of women. If you need special advice, write to Lydia E. Pinkham Medicine Co. (Confidential), Lynn, Mass. Your letter will be opened, read and answered by a woman, and held in strict confidence.

DEMOCRATS CHARGED WITH GROSS ABUSE OF POWER IN FILLING JOBS WITH POLITICAL 'PAN-HANDLERS'

"Nepotism" Held Up to Public Attention By Republicans—
Relatives of Bourbon Officials in Fat Positions—"Poor
Kin" Taken Care of By Southern Congressmen—Cabinet
Members Look After Some

BY C. S. ALBERT
(Special Star-Bulletin Correspondent)
WASHINGTON, D. C., Sept. 19.—Among the other joys and gaudies of the pending campaign is the charge of nepotism. This has been brought forth by the Republican Congressional Committee. Its officials are rolling the word as a sweet morsel under their tongues.

"Nepotism is rife in government service and at the capitol," is declared in a statement sent broadcast. "Never before in the history of this country has nepotism been so rampant as under Mr. Wilson's administration."

Warning up to the topic, it is asserted, "not only have 'deserving Democrats' been given fat government jobs wherever possible by the Wilson administration, but the 'poor relations' of Democratic cabinet officers, senators and representatives also have been well taken care of."

What is Charged

Digging down into the subject to prove their case, the Republican Congressional Committee says:

"To begin with the cabinet. When Wm. J. Bryan was secretary of state he had his son appointed to a position in the department of justice and his son-in-law to a position in the treasury department. Secretary McAdoo, son-in-law of President Wilson, put one of his sons in the department of justice and one in the department of commerce. Secretary Daniels got a place for his brother in the department of justice. Former First Assistant Postmaster-General Daniel C. Roper, who recently resigned to assist in the Wilson campaign, at one time had three members of his family on the pay rolls. Secretary Redfield, appointed U. Grant Smith, his private secretary. Smith had one son on the pay roll as a house page, and his son-in-law as a special agent of the department of commerce."

"In the house of representatives Speaker Clark's son is the parliamentary clerk at \$4000 per annum. He is not yet 30 and was given this job by the Democratic house majority before he had finished his law studies. On the Payroll

ACID STOMACHS ARE DANGEROUS

Nine-tenths of All Stomach Trouble
Said to Be Due to Acidity.

A Physician's Advice on Cause and Cure.

A famous physician whose successful researches into the cause and cure of stomach and intestinal diseases have earned for him an international reputation, said in the course of a recent lecture that nearly all intestinal troubles, as well as many diseases of the vital organs, were directly traceable to a deranged condition of the stomach which in turn was due nine times out of ten to excessive acidity, commonly termed sour stomach or heartburn, which not only irritated and inflamed the delicate lining of the stomach, but also set up gastritis and stomach ulcers. It is interesting to note that he condemns the use of patent medicines as well as of medical treatment for the stomach, stating that he and his colleagues have secured remarkable results by the use of ordinary bisulphated magnesia, which, by neutralizing the acidity of the food, removes the source of the trouble. He contends that it is as foolish to treat the stomach itself as it would be for a man who stepped on a tack to rub liniment on the foot without first removing the tack. Remove the tack and the foot will heal itself—neutralize the acid and stomach troubles will disappear. Irritating medicines and medical treatments are useless, so long as the contents of the stomach remain acid; remove the acidity, and there will be no need for medicine—the inflamed lining of the stomach will then heal itself. Sufferers from acidity, sour stomach or heartburn should get a small bottle of bisulphated magnesia from their druggist, and take a teaspoonful in a quarter of a glass of hot or cold water after meals, repeating in fifteen minutes, if necessary, this being the dose which the doctor has found most efficacious in all cases. For sale by Benson, Smith & Co., Chambers Drug Co. and Hollister Co.—Advertisement.

"Numerous Democratic senators have taken good care of their 'poor kin' with fat jobs on the government pay roll. Senator Overman of North Carolina has his son in a \$2500 position and a daughter holds a \$1400 job. A brother-in-law of Senator Kern of Indiana has a good place in the senate document room. The wife and brother of Senator Gore of Oklahoma are on the senate pay roll. Senator Martin of Virginia has a brother as assistant clerk to his committee. Vandaman of Mississippi has his son assistant clerk to his committee. Senator Chamberlain of Oregon has his son a messenger in his committee. The son-in-law of Senator Lane of Oregon acts as his father-in-law's private secretary. The son of Senator Tillman of South Carolina is the clerk in his father's committee. Another son is on the Alaska railroad commission. Senator Thompson of Kansas has his son on the pay roll. A cousin of Senator Saulsbury of Delaware was given a good job on the trade commission. Senator Gorman of New York landed the job of collector of the port of New York for his son-in-law, Dudley Field Malone. The nephew of Senator Robinson is a senate doorkeeper."

"Glaring Examples"

"The most glaring examples of nepotism are found in the house, and more 'poor relations' have been taken care of in the house than in the senate, simply because there are more representatives than there are senators. Take Illinois for example. Tamm's sister-in-law is his stenographer. Stone's brother is a clerk in the house document room. Sabath's nephew is also in the document room. Indiana Democrats have not overlooked appointing members of their families to good places. Gray's sister is his secretary. Cullop's stepson is his secretary. Morrison's son is his secretary."

Representative Poon of North Carolina for a time had his son on the payroll as clerk of the committee on claims, drawing \$1600 per annum. Young Poon at this time was a student in the University of North Carolina. Representative Johnson of South Carolina got one of his sons in the post-office department and another a house job. A nephew was made clerk to a house committee and the representative's campaign manager was made a capitol policeman. Representative Finley of South Carolina has his son as his secretary and another son is a clerk on the house roll. Representative Aiken of South Carolina employs his son as his secretary; his nephew is in the sergeant-at-arms' office. Representative Clark of Florida has two relatives on his committee and got a doorkeeper's job for his brother. The son of Representative Padgett is the assistant clerk of his father's committee. The son of Representative Burnett is clerk of his father's committee. The son of Representative Carlin, though a student in Georgetown University, is a clerk in the house judiciary committee. A nephew of Representative Shackelford is clerk to the committee on roads. Representative Lloyd of Missouri has a brother in the committee on accounts and his brother-in-law is an assistant doorkeeper in the house. At one time Lloyd had five members of his family on the payroll. Representative Watkins has his son as clerk to a committee. Representative Candler has his son-in-law as his secretary. Representative Alexander of Missouri has his son as his secretary and so has Representative Hardy of Texas. The son of Representative Sparkman is clerk to his father's committee, and the brother of Representative Fields is his secretary. The

THEY REFUSE TO EAT

At periods in most children's lives they fail to relish their meals and refuse to eat even the delicacies prepared to tempt their appetites. They lack ambition, and growth seems impeded, which causes anxiety and worry.

To compel them to eat is a grave mistake, because nutrition is impaired. Healthful exercise in fresh air and sunshine is important, but equally important is a spoonful of Scott's Emulsion three times a day to feed the tissues and furnish food-energy to improve their blood, aid nutrition and sharpen their appetites.

The highly concentrated medicinal food in Scott's Emulsion supplies the very elements children need to build up their strength. They relish Scott's—it is free from alcohol.

father of Representative Barkley is one of the house doorkeepers. This list might be extended at great length for there are scores of "poor relations" of senators and representatives drawing good salaries on government payrolls. On August 14 the Chicago Daily Tribune published a partial list of the examples of nepotism described in this story. No denial has ever been made of the Tribune's charges regarding the fat government jobs that have been given to "poor relations" of the Democratic congressmen for the simple reason that it is not possible to make denial.

YOUR SICK CHILD IS CONSTIPATED! LOOK AT TONGUE

If Cross, Feverish or Bilious
Give "California Syrup
of Figs"

No matter what ails your child, a gentle, thorough laxative should always be the first treatment given.

If your little one is out-of-sorts, half-sick, isn't resting, eating and acting naturally—look, Mother! see if tongue is coated. This is a sure sign that it's little stomach, liver and bowels are clogged with waste. When cross, irritable, feverish, stomach sour, breath bad or has stomach-ache, diarrhoea, sore throat, full of cold, give a teaspoonful of "California Syrup of Figs," and in a few hours all the constipated poison, undigested food and sour bile gently moves out of its little bowels without griping, and you have a well, playful child again.

Mothers can rest easy after giving this harmless "fruit laxative," because it never fails to cleanse the little one's liver and bowels and sweeten the stomach and they dearly love its pleasant taste. Full directions for babies, children of all ages and for grown-ups printed on each bottle. Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs;" then see that it is made by the "California Fig Syrup Company."—Adv.

WINS PROMOTION AFTER ONE MONTH

Announcement was made at the Y. M. C. A. this morning of the promotion and transfer of Ray Baird, who for the last month has been assistant physical director to the Oriental association, as one of the secretaries under Lloyd R. Killam, secretary of the Oriental work.

Baird came out to the Honolulu association on the fellowship plan, by which he is to receive training in all departments. His first definite departmental work was in the physical work under Physical Director Jackson. But rapid developments in the Oriental work necessitated putting on a new man at once and since the new work meant a distinct promotion for Baird he has been released from the physical department to take up his new work.

Baird had already made his impression in the association as a man of personality and his hard working methods quickly brought him the deserved promotion.

The physical department has already an able man in view to take the vacant position of assistant physical director.

VOLCANO HOUSE PLANS TO MAKE ENLARGEMENTS

(Special Star-Bulletin Correspondence)
HONOLULU, Sept. 29.—That the Volcano House will be immediately enlarged at a cost of \$5000 is the news given out by Manager Demosthenes Lycourus, and he declares that work will be started on the additional buildings as soon as his board of directors approves of the expenditure of the money needed.

The additions to the hotel have been needed for a long time past and now that the Great Northern's trips are to be resumed within a short time it is thought better to prepare well on time and rush the new buildings through so that the extra tourists can be accommodated.

The management of the Volcano House anticipates no trouble as regards the expenditure of the necessary \$5000 and it is thought that plans and specifications will soon be prepared and then bids will be called for the construction of the addition to the hostelry.
